NOTE: 37 CFR 3.73(b) states: "When an assignee seeks to take action in a matter before the Office with respect to a patent application, . . . patent, registration, or reexamination proceeding, the assignee must establish its ownership of the property to the satisfaction of the Commissioner. Ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by establishing (e.g., reel and frame number) where such evidence is recorded in the Office. The submission establishing ownership must be signed by a party authorized to act on behalf of the assignee. Documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office."

NOTE: "Section 3.73(b) is amended to remove the language requiring an assignee to specifically state that the documentary documents have been reviewed and to certify that this is in the assignee seeking to take action. The language is deemed to be unnecessary in view of the amendment to §§ 1.4(d) and 10.18." Notice of Oct. 10, 1997, 62 Fed. Reg. 53,131, at 53,174.

1. The assignee(s) of the entire right, title and interest hereby seek(s) to take action in the PTO in this matter.

NOTE: The Notice of April 30, 1993 (1159 O.G. 62-64) points out:

"The statement under 37 CFR 3.73(b) may be signed on behalf of the assignee in the following two instances if the assignee is an organization (e.g., corporation, partnership, university, government agency, etc.).

"(1) The statement may be signed by a person in the organization having apparent authority to sign on behalf of the organization. An officer, executive, vice-president, secretary, or treasurer is presumed to have authority to sign on behalf of the organization. The signature of the chairman of the board of directors is comparable, but not the signature of an individual director. A person having a title (manager, director, administrator, general counsel) that does not clearly set forth that person as an officer of the assignee is not presumed to be an officer of the assignee or to have authority to sign the statement on behalf of the assignee. A power of attorney from the inventor in an organization to a predecessor is presumed a power of attorney does not make the predecessor an officer of an assignee or empower the predecessor to sign the statement on behalf of the assignee.

"(2) The statement may be signed by any person, if the statement includes an oath or declaration that the person is empowered to sign the statement on behalf of the assignee and, if not signed by a registered predecessor, the statement must be in oath or declaration form. Where a statement does not include such an oath or declaration, and the person signing does not hold a position in the organization that would give rise to a presumption that the person is empowered to sign the statement on behalf of the assignee, evidence of the person's authority to sign will be required."

[Further Notice: The requirement for an oath or declaration for the statement by a person not a registered predecessor was modified by the rules effective December 1, 1997.]
